

Could YOU give just £1 extra per month?

All the six member charities of the YCG are raising money in uncertain economic times whilst the cost of the services they provide continue to rise. If each person who currently donates to the YCG were able to donate just £1 extra per month, this would result in another £3,300 being raised every year with £550 going to each of the charities. This amount of extra money would pay for the following:-

A St. Gemma's Hospice Community Nurse to visit 3 patients in their own homes

* 20 people to have a confidence building experience with BTCV*

10 sessions of support for a family who has lost a loved one at Sue Ryder Wheatfields Hospice

A Christmas gift for 36 homeless men at the St. Anne's hostel based in Sheffield

137 calls to ChildLine from children who have plucked up enough courage to ask for help

55 appointments with one of Epilepsy Action's specialist nurses

Therefore by increasing your monthly donation by just £1, less than the cost of a cup of coffee, you will be making an even bigger difference to the lives of many people in the Yorkshire area.
